OUR CAMPERS

Been There, Done That. For youngsters ages 8-12 who have been to our camp before or have some experience with fishing or tying flies.

Girl Power. For girls ages 6-12, no matter if they have never been to our camp before or if they've attended many times – all skill levels are welcome. This is one of our most popular camps and one for which we always have a waiting list.

River Rookies. Designed for children ages 8-12 who have little or no experience fishing or tying flies. We go over the basics and make sure everyone learns a lot during their week at camp. Everyone is welcome whether or not they've been to one of our camps before.

Lil' Tykes. For children 6-7 years old. During this week we go over the basics (and go slowly for the younger campers). We try to make this week so much fun that campers don't realize how much they're actually learning.

Mixin'er Up. This camp is for children ages 8-12 of any skill level. Whether you've been coming to the camp for years or whether this is your very first time, we all have something new to learn.

Lil' Rookies. For children ages 6-9, this camp is basically identical to that for *Lil' Tykes* but for a slightly older age group.
